As of May 1, 2017, the Real Estate Regulatory Act (RERA) has come into effect in the state of Maharashtra. Designed to bring about standardisation and transparency across stakeholders in the real estate industry, the Act requires developers to undertake certain processes, including updating their marketing collaterals. Since inception, we at Marigold Constructions have been operating in accordance with the highest standards of transparency and integrity and are currently updating our marketing collaterals to further align with RERA guidelines. By reading this, the customer confirms the information in this brochure is for information purpose only. Nothing stated here constitutes advertising, marketing, booking, selling, or an offer for sale, or invitation to purchase a unit in any project by the Company. Please get in touch with our sales team for updated project information, before making a purchase decision. The company is not liable for any consequence of any action taken by the customers relying on such material / information.
